Mount Olivet Rolling Acres
Here to be your partner

We are 26,000 partners strong, working together to support your health every day. For you, it’s a top-rated Member Services team – here to help you understand your plan and answer your questions. It’s a plan you can understand, benefits that benefit you, and a commitment to lower costs. Partnership – it means we’re in this together.
Getting started

The more you know about your plan, the easier it is to make good decisions for your health and wallet. We’re happy you’re trusting HealthPartners. Here are some tips.

Understand your costs

You’ll likely see these terms during enrollment and throughout the year. Knowing how these costs work with your plan will help you avoid unexpected charges.

- **Premium** – how much you pay for your plan.
- **Deductible** – the amount you’re responsible to pay for care before your plan helps cover costs, not including your premium.
- **Copay** – a set amount you pay each time you visit the doctor or get a prescription.
- **Coinsurance** – a percent of the bill you pay. Your plan covers the rest.
- **Out-of-pocket maximum** – the most you’ll pay for covered care each year.
- **Summary of Benefits and Coverage (SBC)** – lists out the specific costs for your plan.

HSA Rx Plus plan with the Open Access network

Set aside pretax money in a health savings account (HSA) to cover your medical bills. Plus, get lower costs on prescriptions and access to a large network of doctors.

What you’ll pay

Deductible, then coinsurance
This plan has a deductible. That’s a set amount you pay before your plan helps cover costs. After you reach your deductible, you may pay coinsurance which is a percent of the bill.

Out-of-pocket maximum
Once you reach the out-of-pocket maximum, your health plan pays for all in-network care for the rest of the year.

Preventive drug coverage
For prescriptions on our preventive drug list, you’ll pay a set amount (a copay) or possibly nothing at all – even if you haven’t hit your deductible. See the list at healthpartners.com/formularies.

What your plan pays for
Even before you’ve paid your deductible, your plan fully pays for in-network preventive care.
After you hit your deductible, your plan helps cover things like:
• Convenience care and online care
• Specialty care (no referrals needed)
• Prescriptions

Where you can get care

You can pick where you want to go from one of the biggest networks of doctors and clinics. Search the Open Access network at healthpartners.com/openaccess.

EmpowerSM HSA plan highlights
This plan allows you to contribute money to an HSA before taxes are taken out. Add up what you spent on health care expenses last year to get an idea of how much to put in next year.

Use your HSA to pay for things like:
• Doctor visits and lab fees
• Prescription medicines
• Dental care and braces
• Vision care and LASIK surgery

HSA money can:
• Earn interest or be invested
• Pay for medical expenses before or after you reach your deductible
• Roll over year after year, even if you switch jobs

For more details check your Summary of Benefits and Coverage (SBC) in your enrollment materials. Or give us a call at 952-883-5000 or 800-883-2177.

TIP: Put some of the money you’re saving on premiums into your HSA on your own or through direct deposit.
HSA Rx Plus plan with the Achieve™ network

Use a health savings account (HSA) to set aside pretax money and pay for medical bills. Plus, get lower costs on prescriptions and access to the best doctors.

What you’ll pay

Deductible, then coinsurance
First, you’ll pay for your care until you reach a set amount called a deductible. After that, you may pay a percent of the bill called coinsurance.

Out-of-pocket maximum
An out-of-pocket maximum limits what you pay during the year. After the max, your health plan pays for all in-network care.

Preventive drug coverage
For prescriptions on our preventive drug list, you’ll pay a set amount (a copay) or possibly nothing at all – even if you haven’t hit your deductible. See the list at healthpartners.com/formularies.

What your plan pays for

In addition to preventive drug coverage, this plan fully pays for in-network preventive care, even before you hit your deductible.

After you hit your deductible, it helps cover things like:
• Convenience care and online care
• Specialty care (no referrals needed)
• Prescriptions

Where you can get care

Choose from the best local doctors, clinics and hospitals in the Twin Cities and St. Cloud areas, featuring Park Nicollet, HealthPartners and other high-quality, low-cost providers. Plus more across the country. Search the Achieve network at healthpartners.com/achieve.

Empower™ HSA plan highlights

This plan allows you to save money in an HSA before taxes are taken out. Add up what you spent on health care expenses last year to get an idea of how much to put in next year.

Use your HSA to pay for things like:
• Doctor visits and lab fees
• Prescription medicines
• Dental care and braces
• Vision care and LASIK surgery

HSA money can:
• Earn interest or be invested
• Pay for medical expenses before or after you reach your deductible
• Roll over year after year, even if you switch jobs

Three for Free plan with the Open Access network

Get your first three doctor visits for free. And find a doctor you love with one of the largest networks.

What you’ll pay

$0 for the first three visits

With this plan, you get your first three doctor visits for free – even if you haven’t reached your deductible. You can go to a primary or specialty doctor, urgent care or convenience clinic. Even better, everyone on your plan gets their own three free visits, too.

Deductible, then coinsurance

For other services and additional doctor visits, you pay the full cost until you reach a set amount, called your deductible.

After that, your plan splits the bill with you. That’s called coinsurance. For example, you might pay 20 percent, and your plan pays the other 80 percent.

Out-of-pocket maximum

Once you reach a limit, called an out-of-pocket maximum, you don’t pay any more. Your plan pays for all other in-network care.

Your plan helps pay for

• Preventive care (no cost to you)
• Convenience care and online care
• Specialty care (no referrals needed)
• Prescriptions

TIP: Get your yearly recommended checkup, vaccines and screenings. In-network preventive care is covered by your plan and doesn’t count toward your three visits.

Plan highlights

You can save around $100 for each of your first three visits. If there are extra costs, like lab work, X-rays or other therapy, you’ll pay your deductible or coinsurance.

Three for Free plan with the Achieve network

Your first three office visits are free! Plus, it’s easy to find a great doctor from the best local options.

What you’ll pay

$0 for the first three visits

Everyone on your plan gets their first three doctor visits for free, even before you reach your deductible. The visits can be with a primary or specialty doctor, urgent care or convenience clinic.

Deductible, then coinsurance

For other services and additional doctor visits, you pay up to an amount, called your deductible, before your plan helps cover costs.

After that, your plan splits the bill with you. That’s called coinsurance. For example, you might pay 20 percent, and your plan pays the other 80 percent.

Out-of-pocket maximum

An out-of-pocket maximum puts a cap on your share of costs for the year. Once you reach that limit, all in-network care is paid for by your health plan.

Your plan helps pay for

- Preventive care (no cost to you)
- Convenience care and online care
- Specialty care (no referrals needed)
- Prescriptions

TIP: Get your yearly recommended checkup, vaccines and screenings. In-network preventive care is part of your plan and doesn’t count toward your three visits.

Plan highlights

You can save around $100 on each of your first three visits. If there are extra costs, like lab work, X-rays or other therapy, you’ll pay your deductible or coinsurance.

HRA plan with the Open Access network

Your employer puts money in a health reimbursement account (HRA) to help pay your medical expenses. And it comes with a large network of doctors and clinics.

What you’ll pay

Deductible, then coinsurance
This plan has a deductible — a set amount you pay before your plan helps cover costs. Once you reach your deductible, you’ll pay a portion of the bill called coinsurance. So you might have to pay 20 percent and your plan will cover the rest.

Out-of-pocket maximum
Once you reach a limit, called an out-of-pocket maximum, your health plan pays for all in-network care for the rest of the year.

What your plan pays for
All in-network preventive care is paid for by your health plan, regardless of whether or not you’ve paid your deductible.

Some things your plan helps cover after you’ve paid your deductible include:
• Convenience care and online care
• Primary and specialty care visits (no referrals needed)
• Inpatient and outpatient hospital care

EmpowerSM HRA plan highlights
An HRA plan helps you prepare for the unexpected. Use your HRA money to pay for eligible healthcare expenses.

TIP: Check with your employer to find out how much money they’ll put in your HRA and what you can use it for.

Where you can get care
Choose from one of the biggest networks of doctors and clinics. Check for your doctor or find a new one at healthpartners.com/openaccess.

Skip the clinic trip with online care

Save time and money by getting treated right from your smartphone, tablet or computer. Your plan covers two options.

Virtuwell® (online questionnaire)

- **Easy.** Answer a few questions at virtuwell.com anytime, anywhere.*
- **Fast.** In about an hour get a treatment plan and prescription. Nurse practitioners treat more than 60 common conditions.
- **Guaranteed.** You’re only charged if Virtuwell can treat you, plus unlimited follow-up calls about your treatment are free. A visit is never more than $54. Use your member ID card to check your cost at virtuwell.com/cost/healthpartners.

Doctor On Demand (video chat)

- **Convenient.** Get started when and where it works for you at doctorondemand.com. Video capabilities are required.
- **Quick.** See a doctor in minutes. Live video visits include assessment, diagnosis and prescriptions when necessary.
- **Affordable.** Starting in 2020, a visit to treat conditions like colds, the flu and allergies never costs more than $59.**

Your health plan may pay for some or all of your online care. Call Member Services at 952-883-5000 or 800-883-2177 to find out.

The next time you’re sick, your health plan has affordable options to help you get better, faster.

Dental Open Access plan

A healthy mouth may help decrease the risk of diabetes, heart attacks and strokes. That’s why your dental plan covers 100 percent of all in-network preventive care.

What your plan pays for
Preventive care is covered at no cost to you when you see a network dentist. It also helps cover:

- HealthPartners MouthWise Matters – extra exams, gum care and cleaning covered 100 percent if you’re pregnant, or if you have diabetes and are at risk of gum disease
- The cost of other dental care at the amounts shown in your Summary of Benefits

What you’ll pay

Deductible or coinsurance
Things like getting a cavity filled might cost a deductible – the amount you have to pay before your plan helps with the cost. There’s also coinsurance, which is a percent of the bill.

Annual maximum
Your dental plan max is a bit different than your medical plan. It’s the most your plan will pay for dental care each year. You’re in charge of the rest.

Plan highlights
The Open Access network is where we negotiated lower fees for you. Plus, it’s where you’ll get the highest level of coverage.

TIP: You’ll pay less if you see a dentist in the Open Access network, more for an out-of-network dentist.

Where you can get care
You pick where you want to go, and you get to choose from our largest network of dentists and clinics. Go to healthpartners.com/dentalopenaccess to check for your dentist or find a new one.

For more details check your Summary of Benefits (SOB) in your enrollment materials. Or call us at 952-883-5000 or 800-883-2177.

Deductibles, annual maximums, and frequency limitations will be waived on these specific services for members referred into the program by a HealthPartners network dentist.

Benefit Limitations
HEALTHPARTNERS MOUTHWISE MATTERS

Extra dental care for your gums

We share tips to keep your teeth healthy and help you feel your best. You also get important benefits, like those that help pregnant women and people with diabetes.

What it covers
If you’re living with diabetes or are pregnant and at risk of gum disease, MouthWise Matters covers:
• 100 percent of services to help control or prevent gum disease
• Extra dental checkups and cleanings
• Root planing and scaling – a deep cleaning for your teeth
All other services, like fillings and root canals, are covered according to your Summary of Benefits.

How it works
It’s easy to get the care you need to stay healthy:
• Visit a network dentist
• Get 100 percent coverage on medically necessary gum treatment
When gum treatment is needed, there’s no coinsurance or deductible. Plus, your plan will pay even if you’ve reached your annual maximum for the year.

As a dentist, I see how oral health affects overall health. MouthWise Matters helps pregnant women and people with diabetes maintain their health affordably.

Get the most from your meds

Knowing what you’ll pay for your medicine is important. Use these tools and resources to understand your costs and get support if your medicine isn’t working for you.

Check your formulary
A formulary, also called a drug list, tells you what medicines are covered by your health plan and generally how much you’ll pay. You’ll also learn if there are any requirements before you can start a medicine.

Your formulary is called PreferredRx.
1. Go to healthpartners.com/preferredrx.
2. Search by the name or type of medicine.
3. Use your Summary of Benefits and Coverage (SBC) in your enrollment materials to understand how each type of medicine is covered.

Search for the lowest cost
Medicine prices can change from pharmacy to pharmacy. Shop around. See what your costs are at different pharmacies. Members can get started at healthpartners.com/pharmacy.

Talk with a pharmacy navigator
One call will give you answers to your questions around benefits, coverage, costs, formularies and more. Call Member Services at the number on the back of your member ID card. Ask to talk with a pharmacy navigator.

Meet with a pharmacist
In a one-on-one visit, a pharmacist will review your medicines with you to make sure they’re working and are right for you. Plus, it’s free. Visit healthpartners.com/mtminfo to learn more.

Try generics
Generics are just as safe and effective as brand-name medicines, but cost a lot less. Talk to your doctor or pharmacist about switching to a generic medicine.

Call member services at 952-883-5000 or 800-883-2177 when you have prescription benefit questions.

Our team is here to support you. If you can’t find your medicine on the formulary or shopping tool, give us a call. We’ll help you find it or an alternative that’s covered.

Medicine delivered to your door

Skip the trip to the pharmacy. Get your prescriptions mailed to your home with WellDyneRx.

5 great things about mail order

1. You’ll never pay for shipping. It’s free.
2. Refilling your medicine online or with our mobile app is easy.
3. All orders are sent in a tamper resistant, plain package to make it more private.
4. Safety is important. You’ll get the best quality medicine.
5. You’ll get your medicine delivered within seven to ten days.

TIP: Most members on a copay plan get three months of their medicine for the price of two months. That’s a savings of 33 percent!

To get started:

• Call 800-591-0011
• Visit healthpartners.com/mailorder

It’s hard to get to the pharmacy each month. Mail order pharmacy delivers your meds quickly and easily to you, just like your favorite stores.

Take charge of your health plan

You go online to research, plan and follow up on big decisions. A myHealthPartners account makes it just as easy to stay on top of your health care and insurance.

Get personalized information when and where you need it

With an online account, you have real-time access to your personal health plan information in one place. No more guessing or waiting until business hours to get answers to your questions.

Top 6 ways to use your online account and mobile app

1. View your HealthPartners member ID card and fax it to your doctor’s office.
2. Search for doctors near you in your plan’s network.
3. Check your balances, including how much you owe before your plan starts paying (deductible) and the most you’ll have to pay (out-of-pocket maximum).
4. Compare pharmacy costs to find the best place to get your medicines.
5. See recent claims, what your plan covered and how much you could owe.
6. Get cost estimates for treatments and procedures specific to your plan.

I love directing members to their online accounts and the mobile app. You can easily get your health plan info, even when I’m not in the office.

Our approach to protecting personal information

HealthPartners® complies with all applicable laws regarding privacy of health and other information about our members and former members. When needed, we get consent or authorization from our members (or an authorized member representative when the member is unable to give consent or authorization) for release of personal information. We give members access to their own information consistent with applicable law and standards. Our policies and practices support compliant, appropriate and effective use of information, internally and externally, and enable us to serve and improve the health of our members, our patients and the community, while being sensitive to privacy. For a copy of our Notice of Privacy Practices visit healthpartners.com or call Member Services at 952-883-5000 or 800-883-2177.

Summary of utilization management programs for medical plans

Our utilization management programs help ensure effective, accessible and high-quality health care. These programs are based on the most up-to-date medical evidence to evaluate appropriate levels of care and establish guidelines for medical practices. Our programs include activities to reduce the underuse, overuse and misuse of health services.

THESE PROGRAMS INCLUDE:

- Progression of care review and care coordination to support safe, timely care and transition from the hospital.
- Evidence-based care guidelines for certain kinds of care.
- Outpatient case management to provide member support and coordination of care.
- CareCheck® – you must call CareCheck at 952-883-5800 or 800-942-4872 to receive maximum benefits when using out-of-network providers. Benefits may be reduced by 20 percent if CareCheck is not notified.
- Prior authorization of select services – we require prior approval for a small number of services and procedures. For a complete list, go to healthpartners.com or call Member Services.

Benefit limitations for dental plans

After you enroll, you’ll receive plan materials that explain exact coverage terms and conditions. This plan doesn’t cover all dental care expenses. In general, services not provided or directed by a licensed provider aren’t covered.

HERE IS A SUMMARY OF EXCLUDED OR LIMITED ITEMS (THESE MAY VARY DEPENDING ON YOUR PLAN):

- Coverage for dental exams limited to twice each calendar year.
- Coverage for dental cleanings (prophylaxis or periodontal maintenance) limited to twice each calendar year.
- Sealants limited to one application per tooth once every three years.
- Coverage for professionally applied topical fluoride limited to once each calendar year for members under age 19.
- Coverage for bitewing X-rays limited to once each calendar year.
- Full mouth or panoramic X-rays limited to once every three years.
- Coverage for dental exams limited to twice each calendar year.
- Coverage for space maintainers limited to replacement of prematurely lost primary teeth for dependent members under age 19.
- Replacement of crowns and fixed or removable prosthetic appliances limited to once every five years.
- Certain limitations apply to repair, rebase and relining of dentures.
- Dental services related to the replacement of any teeth missing prior to the member’s effective date are covered when services are performed by a provider in the HealthPartners dental network.
- Non-surgical and surgical periodontics limited to once every two years.

Appropriate use and coverage of prescription medicines for medical plans

We provide coverage for medicines that are safe, high-quality and cost-effective.

TO HELP US DO THIS, WE USE:

- A formulary (drug list). These prescription medicines are continually reviewed and approved for coverage based on quality, safety, effectiveness and value.
- A free, confidential one-on-one appointment (in person or over the phone) with an experienced clinical pharmacist. Our Medication Therapy Management (MTM) program helps members who use many different medicines get the results they need.
- An opioid management program to support members in managing their pain.
- A patient alert program that provides a seamless transition to our formulary. We allow coverage for a first-time fill of a qualifying non-preferred medicine within the first three months of becoming a member.

The formulary is available at healthpartners.com/formulary, along with information on how medicines are reviewed, the criteria used to determine which medicines are added to the list and more. You may also get this information from Member Services.
Important information on provider reimbursement

Our goal in reimbursing providers is to provide affordable care for our members while encouraging quality care through best care practices and rewarding providers for meeting the needs of our members. Several different types of reimbursement arrangements are used with providers. All are designed to achieve that goal. Check with your individual provider to find out how they are paid.

ARRANGEMENTS USED FOR MEDICAL PLANS:

- **Fee-for-service** – the health plan pays the provider a certain set amount that corresponds to each type of service furnished by the provider.

- **Discount** – the provider sends us a bill, and we’ve already negotiated a reduced rate on behalf of our members. We pay a predetermined percentage of the total bill for services.

- **Case rate** – the provider receives a set fee for a selected set of services, up to an agreed upon maximum amount of services, for a designated period of time. Alternatively, we may pay a case rate to a provider for all of the selected set of services needed during an agreed upon period of time.

- **Withhold** – a portion of the provider’s payment is set aside until the end of the year. Withholds are sometimes used to pay specialty, referral or hospital providers who furnish services to members. The provider usually receives all or a portion of the withhold based on performance of agreed upon criteria, which may include patient satisfaction levels, quality of care and/or care management measures.

- **Basis of the diagnosis/per diem** – a set fee to treat certain kinds of conditions, sometimes based on the number of days the patient spent in the facility.

- **Ambulatory Payment Classifications (APCs)** – for outpatient services. We have a negotiated payment level based on the resources and intensity of the services provided. Hospitals are paid a set fee for certain kinds of services which is based on the resources utilized to provide that service.

- **Combination** – more than one of the methods described are used. For example, we may pay a case rate to a provider for a selected set of services, up to an agreed upon maximum amount of services, and pay that same provider on a fee-for-service basis for services not provided within the time period that exceed the maximum amount of services. We may also pay a provider such as a clinic using one type of reimbursement method, while that clinic may pay its employed providers using another reimbursement method.

- **Discount** – the provider sends us a bill, and we’ve already negotiated a reduced rate on behalf of our members. We pay a predetermined percentage of the total bill for services.

- **Salary** – with a possible additional payment made based on performance criteria, such as quality of care and patient satisfaction measures.

- **Capitated** – the provider group receives a set fee for each month for each member enrolled in the provider group’s clinic, regardless of how many or what type of services the member actually receives. Provider groups are required to manage the budget for their entire patient panel appropriately.

- **Combination** – more than one of the methods described are used. For example, we may capitate a provider for certain types of care and pay that same provider on a fee-for-service basis for other types of care. We may also pay a provider such as a clinic using one type of reimbursement method, while that clinic may pay its employed providers using another reimbursement method.

This plan may not cover all your health care expenses. Read your plan materials carefully to determine which expenses are covered. For details about benefits and services, call Member Services at 952-883-5000 or 800-883-2177.
